- rules of the game

Object of the game:

To collect the most "PIGGIN BOOGERS" tokens after 5 rounds of play.

Note: *players can determine the number of rounds at the start of the game.*

Set up:

Choose a piglet and twist to the right to open it and to reveal the booger container.

Put a small amount of SLIME goo in it.

Pop the top of the piglet back onto the base by turning it to the left up until you hear "click" (beware not to drop the piglet and spill goo).

Close the SLIME goo bag carefully so it cannot dry out (note: SLIME goo is available separately in specialized toy stores).

Playing instructions:

1. Before each game, each player gets 3 small "PIGGIN BOOGER" tokens and 1 small plate. The remaining tokens are placed on the big plate.

2. Choose a player to quickly mix up the 3 piglets so the other players do not know which piglet holds the goo.

3. All other players now have to guess which piglet holds the goo by placing 1 or more small "PIGGIN BOOGERS" tokens on their plate and then putting their plate next to the piglet of their choice.

4. Now players take turns putting their finger in the nose of their chosen piglet:

- If there is no goo inside, the "PIGGIN BOOGERS" tokens on the small plates are placed on the big plate.

- If there is goo inside, players have to take back their "PIGGIN BOOGER" tokens and they win the same amount of "PIGGIN BOOGERS" tokens which are taken from the big plate.

Note : *players can exchange 5 little "PIGGIN BOOGERS" tokens for 1 big token.*

5. The Player who is the first to find the piglet which holds goo inside, becomes the next one to mix up the piglets and the former "mixer" can now participate in the game.

6. After 5 rounds, players have to count their "PIGGIN BOOGERS" tokens. The one with the most tokens is the winner!

Note : *1 big token equals 5 little tokens.*
